

Volunteer Opportunities at RESCUE UPSTREAM

Thank you for checking out RESCUE UPSTREAM. Our ability to impact lives through education, awareness and outreach relies so much on our volunteer network. We welcome the opportunity to talk to you in person about how you can play a role in helping us stop human trafficking. Training will be provided.

Volunteer Position- Community Awareness Ambassador

To create awareness regarding RESCUE UPSTREAM initiatives and issues of human trafficking in the local community. This can include: Rescue Upstream table before and after church services and/or participation at community events.

Qualifications/Skills: Females/Males with good people/networking skills.

Volunteer Position- Fundraiser Coordinator

To help raise money for RESCUE UPSTREAM and other anti-human trafficking partners. This can include activities such as: donation collection and silent auction events.

Qualifications/Skills: Females/Males with good people/networking and organizational skills.

Volunteer Position -Social Media and/or Tech Coordinator

Position Description: Use technical skills to assist at community presentation events for RESCUE UPSTREAM. Use social media skills to support effective promotion of RESCUE UPSTREAM and human trafficking issues on Facebook and Twitter.

Qualifications/Skills: Females/Males with multimedia technical skills. Experience/familiarity with social media marketing.

Volunteer Position – Outreach/Education for Youth

Young people are a target for traffickers and trafficked children often recruit other youth. Reach vulnerable teens through creative outreach and education workshops.

Qualifications/Skills: A comfort and desire to speak publicly in a variety of youth settings. Background check required.

Volunteer Position – Hospitality

To provide a warm and friendly atmosphere at various RESCUE UPSTREAM events. This can include greeting guests, and the preparation and serving of refreshments.

Qualifications/Skills: Females/Males that are warm, friendly, and enjoy serving others
